Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2031**

Location	-
Great Falls, MT	
Measured Distance	-
21.0975 km	

Kickin' Assphalt Half Marathon

Course Directions

START on River Drive N, next to the tennis courts in Elk's Riverside Park

- Head southwest on River Drive
- Right onto the pedestrian path onto the 1st Ave bridge
- Right on River's Edge Trail
- Continue onto N River Rd
- Turn left at the second entrance to the gravel path after crossing the bridge- Continue counter-clockwise on the gravel path, turning left at the west end of the island
- Turn right and return via N River Rd
- Left onto River's Edge Trail
- Turn right after going under the 9th St bridge
- Clockwise loop onto the pedestrian walkway on the 9th St bridge, headed south
- Hard right after crossing the bridge, clockwise loop to head east under the bridge
- Proceed east on River's Edge Trail until turnaround before Giant Springs Rd underpass
- Return west on River's Edge Trail
- 180 degree right turn next to horseshoe pits, head NE on Riverside Park Trail for 20 feet
- Left on Riverside Park Trail, then cross the grass and turn right on River Drive N

FINISH on River Drive N (same location as start) heading northeast.

1st Ave Bridge

- Start headed south on River Drive N.
- Cross curb to enter River's Edge Trail pedestrian bridge.
- At the finish, when headed NW on Riverside Park Trail, continue straight across grass and proceed on River Drive N, rather than taking the turn on Riverside Park Trail to the Northeast.

Black Eagle Memorial Island

Gravel Path Loop

- Stay on N River Rd both before entering and after exiting the island (do not use pedestrian path)
- Gravel path loop is run in counter-clockwise direction.
- Gravel path loop measured using shortest possible route while staying on gravel (avoiding grass).

9th Street Bridge

- Head east under the bridge on the way out to the Black Eagle Memorial Island gravel path loop.
- Upon return, cross under the bridge headed west, then turn right to form a clockwise loop.
- Cross the bridge on the pedestrian walkway headed south.
- At the south end of the bridge, turn right to form a clockwise loop and join the River's Edge Trail headed east towards the turnaround
- When returning from the turnaround, cross under the bridge and continue SW on River's Edge Trail.

North End

South End

Turnaround at Giant Springs Rd

Turnaround is located 196cm SW of the informational billboard between River's Edge Trail and the Missouri River, just before the underpass under Giant Springs Rd. Three PK nails directly on the center line of the trail.
